

Experience

Senior Visual Designer at Ellie Mae - Contractor // 12/16 - Present

Currently working on the redesign of a consumer-facing loan app product. Deliverables created have been early design concepts, redlines and specs, and worked closely with DEV during implementation and debugging.

Senior Visual Designer at JP Morgan Chase - Contractor // 08/16 - 12/16

At JP Morgan Chase I worked collaboratively with interaction designers, business stake holders, and project and product managers across UX to help with the implementation of new visual design patterns and a new cross-functional navigation system for Chase, Private Client, JP Morgan, and Business.

Senior Visual Designer at Bank of the West // 08/14 - 08/16

UX lead for Online Banking Sales site redesign, worked collaboratively with project and product managers, and content teams. Lead visual designer for Hello Bank App. Created new icon strategy for all platforms.

Digital Designer at Bell Helmets - Full time // 01/14 - 08/14

In charge of all web updates, banner ads, mockups, and html email campaigns. Integral to implementing product launch responsive microsites, UI/UX best practices, and improving agile work flow and processes.

Visual Designer at Wells Fargo - Contractor // 05/12 - 12/13

Was integral to implementing the visual design for Wells Fargo's new public site. Set a creative direction for iconography and info-graphics. Played a key role in making site meet WCAG 2.0 visual contrast requirements.

Visual Designer at Jackrabbit Systems - Contractor // 04/09 - 12/11

Designed and helped implement company website, custom user interface online booking widgets and results page layouts for BookDirect Network.

Senior Graphic Designer at Coastcom // 10/04 - 07/08

Generated trade show booth designs, banner ups, and interactive collateral. Created HTML email campaigns, mailers, product labels, technical illustrations, and product shots. Developed new corporate identity.
